

We've an App for that

App-Pack

This is the only App you won't have to download. The Newstalk App – Pack is a specifically designed ad package to launch your newest App.

Any launch needs frequency so with this pack we have combined a series of ads which you can use to launch your new App.

Duration 1 Week

Monday – Sunday

TAP: 07.00 – 24.00

Number of Spots 35

Frequency: 3.5

Reach: 310,000

App-Ads

With App Ads, Newstalk Production can create a specific App-Ad to tag your existing radio commercial. This will cut down on the expense of making a new ad while at the same time boosting your current campaign. App-Ads can be any length but unusually 10 or 15 seconds in duration.
